

REFERRAL PROGRAM

Tecstone Granite is pleased to have you as a customer
and we would love to have more customers just like you!

Since we cannot clone you to expand our customer base, we are inviting you to help us grow. As you likely know others in your network who may be looking for a new monument partner, we would like to offer you a **referral credit of \$1,500** for each new customer you refer that we are able to successfully onboard.

To participate in this program, contact your account manager with the following information:

- **Business Name**
- **Address**
- **Phone Number**
- **Contact Person**
- **Email Address**
- **When and How** you introduced your prospect to Tecstone Granite

Have you ever wanted to see our processes or meet our team? We would LOVE to invite you to visit Tecstone Granite. Let us know and we will be glad to coordinate a personalized visit for you.
